

SMALL BUSINESS ADVISOR

Job Type: Full-time

Play a role in shaping our local business community! We have an exciting opportunity for someone to join our Commercial Department and work closely with our small business members, understanding their financial needs, helping them achieve optimal financial health, and building long-term relationships.

We offer a highly-competitive wage, career progression, ongoing learning and development, and an impact on our local community. Join us on the beautiful Sunshine Coast and get the best of both worlds – a relaxing lifestyle filled with recreational activities including boating, hiking, and much more, while only a short 40-minute ferry trip from Vancouver.

What You'll Do

The Small Business Advisor is responsible for the promotion and sale of deposits, investment and credit products (both retail and commercial), business development and management of a portfolio of small business and retail accounts. The successful candidate will provide mobile services and is available to work flexible shifts including evenings and weekends, including attendance at various community and business development activities as a representative of the Credit Union.

What Does the Ideal Candidate Bring?

In addition to two years' post-secondary education in a general business program or a related field, you will have gained 2-5 years' experience in the financial industry (1-year in lending); a combination of education and experience may be considered. We are looking for an individual who demonstrates initiative, drive and discipline, flexibility, is incredibly organized, and enjoys working in a fast-paced environment. You enjoy keeping pace with new technology and are continually committed to keeping your skills and knowledge current. You have or are willing to complete the following coursework: Overview of the Credit Union System, Credit Union Consumer & Residential Mortgage Lending, Commercial Mortgage Lending, Business Lending, Fundamentals of Personal Financial Planning; in addition, a mutual fund license will be required and a Certified Financial Planner designation may be required.
